Newsletter

Introduction

Issue 1

Welcome to our summer edition of our newsletter.

There will be some upcoming changes within our reception team as sadly Elaine Richardson will be leaving us mid-August. Elaine has been a valuable member of the team and we wish her all the best for the future. We would like to also like to say a big thankyou to Dr. Chris Hodgson for his hard work at the practice, he has now moved on to continue his GP training at Airedale Hospital and we wish him all the best for the future. We would like to welcome Dr. Laura Molyneux, who will be completing her GP training with us at the surgery.

We have recently slightly changed our opening times and we now have appointments available from 07:30am, Monday to Thursday for routine bloods taking. Also, we have GP appointments available Monday – Thursday from 07:30am.

We are now a member of the DAA (Dementia Active Alliance) If you would like to see our statement please type the following link into your browser - http://www.dementiaaction.org.uk/members_and_action_plans/7606-grange_park_surgery

Electronic Prescribing Service

If you collect repeat prescriptions you will not have to visit your GP practice just to pick up your paper prescription. Instead, your GP will send the prescription electronically to the place you choose, saving you time. The prescription is an electronic message so there is no paper prescription to lose. You will have more choice about where to get your medicines from because they can be collected from a pharmacy near to where you live, work or shop. If the prescription needs to be cancelled the GP can electronically cancel and issue a new prescription without you having to return to the practice saving you

extra trips. You may not have to wait as long at the pharmacy as your repeat prescriptions can be made ready before you arrive.

Please contact reception for further information.

We are currently arranging an open evening in September. This is being arranged by our PPG group. Everyone invited. Keep an eye out for upcoming dates.

Travel Clinics

Are you going on holiday this year and unsure if you require any additional vaccinations depending where you are traveling to. We now have an appointment only travel clinic. Appointments are available on a Tuesday 08:30am – 09:30am and also Friday's 15:30pm – 16:30pm. Please contact reception for further information; please have your travel destination to hand as this will be required for your appointment.
